## 英语试题参考答案及评分标准

(片头音乐，轻快，柔和。时间 00'30")

同学们：你们好！

现在是 2026 年初中毕业暨升学考试英语听力考试试音时间。现在开始试听。

M: Hello. International Friends Club. Can I help you?  
W: Oh, hello. I read about your club in the paper today and I thought I'd phone to find out a bit more.  
M: Yes, certainly. Well, we're a sort of social club for people from different countries. It's quite a new club—we have about 50 members at the moment, but we're growing all the time.  
W: That sounds interesting. I'm British actually, and I came to Washington about three months ago. I'm looking for ways to meet people. Er, what kinds of events do you organize?  
M: Well, we have social get-togethers, and sports events, and we also have language evenings.  
W: Could you tell me something about the language evenings?  
M: Yes. Every day except Thursday we have a language evening. People can come and practise their languages—you know, over a drink or something. We have different languages on different evenings. Monday—Spanish; Tuesday—Italian; Wednesday—German; and Friday—French. On Thursday we usually have a meal in restaurant for anyone who wants to come.  
W: Well, that sounds great. I really need to practise my French.  
M: OK. Well, if you can just give me your name and address, I'll send you the form and some more information. If you join now you can have the first month free.

Hello, everyone! Today I want to talk about how to learn English well.

At first, I was poor in English. I was afraid of speaking and always made mistakes in grammar. I felt sad and even wanted to give up. Later, I changed my ways and made great progress.

First, I keep listening to English songs and news every day to improve my listening. Second, I read short passages and memorize useful words and sentences regularly. Third, I try to speak English bravely in class and talk with my classmates in English as much as possible. What's more, I keep a diary in English to practise writing.

Practice makes perfect. Learning English is not easy, but nothing is impossible. As long as we keep practising and never give up, we will become good English learners.

That's all. Thank you!

Dear Jack,

I hope this email finds you well. As is known to all, China has taken active action to protect our environment. I have found many warm green changes around me.

More and more trees and flowers are planted in our city. The sky is bluer and the air is fresher than before. Now, my classmates and I go to school by bike or on foot instead of taking cars. I also take part in environmental protection activities held in my school with classmates.

Small actions can bring big green changes. I believe our world will become more and more beautiful if everyone keeps protecting the environment.

Yours,

Li Hua
